Fill in the gaps

Tears Of The Dragon (Live) by Bruce Dickinson

For too long now		The water is moving
There were (1)	_ in my mind	I'm slipping away
For too long now		I (16) myself into the sea
There (2) things I (3)) (4)	Release the wave
said		Let it wash (17) me
In the darkness		To face the fear
I was (5) for the door		I once believed
To (6) a reason		The tears of the dragon
To find the time, the place, the hour		For you and for me
Waiting for the winter sun		Slowly I awake
And the cold (7) of day		Slowly I rise
The misty ghost of childhood fears		The walls I (18) are crumbling
The pressure is building		The (19) is moving
And I can't (8) away		I'm (20) away
I throw myself (9) the sea		I throw myself into the sea
Release the wave		Release the wave
Let it wash over me		Let it wash (21) me
To face the fear		To face the fear
I once believed		I (22) believed
The (10) of the dragon		The (23) of the dragon
For you and for me		For you and for me
Where I was		I (24) myself into the sea
I had wings (11) couldn't fly		Release the wave
Where I was		Let it wash over me
I had (12) I couldn	't cry	To (25) the fear
My emotions		I once believed
Frozen in an icy lake		The tears of the dragon
I couldn't feel them		For you and for me
Until the ice (13) to break		
I have no (14) over	r this	
You know I'm afraid		
The (15) I built are crumbling
