Fill in the gaps

Baby are you down? down, down, down...
Even if the sky is falling down, down, down...
You already know
Tonight is the night to let it go
Put on a show
I wanna see how you lose control
So leave it behind, cause we have a (1)_____ to get
away
So come on and fly (2)_____ me
As we make our great escape
So baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No (3)_____ to worry
Baby are you down? down, down, down...
Baby are you down? down, down, down...
Even if the sky is (4)_____ down
Just let it be
Come on and bring your body next to me
I'll take you away
Turn this (5)_____ into our (6)_____
getaway
So leave it behind, (7)_____ we have a night to get
away
So come on and fly with me
As we make our great escape
So why don't we run away
Baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down

You'll be my only
No need to worry
Baby are you down? down, down, down...
Baby are you down? down, down, down...
Even if the sky is falling down
Down like she's suppose to be
She gets down me
Down like her temperature
Cause to me she's zero degrees
She's cold, over freeze
I got that girl from over seas
Now she's my Miss America
Now can I be her soldier, please?
I'm (8)_____ for this girl on the
(9)_____ of love
Got me look like baby Cupid
Sending (10)_____ from above
Don't you ever leave the side of me
And waiting definitely, not probably
And honestly I'm down like that economy
Baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry
Baby are you down? down, down, down...
Baby are you down? down, down, down...
Even if the sky is falling down...
