

## Fill in the gaps

Baby are you down? down, down, down
Even if the sky is falling down, down, down
You already know
Tonight is the night to let it go
Put on a show
I wanna see how you lose control
So leave it behind, cause we have a night to get away
So (1) on and fly with me
As we (2) our great escape
So baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry
Baby are you down? down, down, down
Baby are you down? down, down, down
Even if the sky is falling down
Just let it be
Come on and bring your body (3) to me
I'll take you away
Turn this place into our (4) getaway
So leave it behind, cause we have a night to get away
So come on and fly (5) me
As we make our great escape
So why don't we run away
Baby don't worry
You are my only
You won't be lonely
Even if the sky is falling down

You'll be my only
No (6) to worry
Baby are you down? down, down, down
Baby are you down? down, down, down
Even if the sky is falling down
Down like she's suppose to be
She gets down me
Down (7) her temperature
Cause to me she's zero degrees
She's cold, over freeze
I got that girl from over seas
Now she's my (8) America
Now can I be her soldier, please?
I'm fighting for this girl on the battlefield of love
Got me look like (9) Cupid
Got me look like (9) Cupid Sending arrows from above
