

Fill in the gaps

To Be With You
Hold on little girl
Show me what he's done to you
Stand up little girl
A broken heart can't be that bad
When it's through, it's through
Fate will twist the both of you
(So come on baby)
Come on over
Let me be the one to show you
I'm the one who wants to be (1) you
Deep inside I hope you feel it too
Waited on a line of greens and blues
Just to be the next to be with you
Build up your confidence
So you can be on top for once
Wake up who cares about
Little (2) that talk too much
l've seen it all go down
(Your (3) of love was all rained out)
(So come on baby)
Come on over
Let me be the (one to) (4) you
I'm the one (who (5) to be with you)

Deep inside I hope you feel it too			
Waited on a line of greens and blues			
Just to be the next to be with you			
Why be alone			
When we can be together baby			
You can make my life worthwhile			
And I can make you (start to) smile			
When it's through, it's through			
Fate will (6)	the both of y	/ou	
Singing (so come on baby come on over)			
(Let me be the) one to show you			
I'm the one who wants to be with you			
Deep inside I (7) you feel it too			
Waited on a line of (8)		and blues	
Just to be the next to be with you			
I'm the one who wants to be with you			
Deep inside I hope you fe	eel it too		
Waited on a line of green	s and blues		
Just to be the next to be	(9)	you	
Just to be the next to be	with you		
(Woo)
