If I could just see you...

Tonight

Fill in the gaps

A Thousand Miles by Vanessa Carlton

Making my way downtown	And I, I
Valking fast	Don't want to let you know
Faces (1) and I'm home bound	I, I
Staring (2) ahead	Drown in your memory
lust making my way	l, l
Making a way through the crowd	Don't want to let this go
And I (3) you	l, l
And I miss you	Don't
And now I wonder	Making my way downtown
f I could fall	Walking fast
nto the sky	Faces pass
Do you think time	And I'm home bound
Vould pass me by	Staring blankly ahead
Cause you know I'd walk	Just making my way
A thousand miles	Making a way
f I could just see you	Through the crowd
Fonight	And I still need you
t's always times like these	And I still miss you
When I (4) of you	And now I wonder
And I wonder	If I could fall
f you ever	Into the sky
Think of me	Do you think time
Cause everything's so wrong	Would pass us by
And I don't belong	'Cause you know I'd walk
iving in your	A thousand miles
Precious memories	If I could (5) see you
Cause I need you	If I (6) fall
And I miss you	Into the sky
And now I wonder	Do you think time
f I could fall	Would pass me by
nto the sky	'Cause you know I'd walk
Do you think time	A thousand miles
Vould pass me by	If I (7) (8) see you.
Cause you know I'd walk	If I could just hold you
