

Fill in the gaps

6 am day (1) christmas	It's not me you're dying for
I (2) some (3) on in the dark	Now she's (11) more alone
The (4) of cold	Than she (12) has before
Car seat is freezing	She's a brick and I'm (13) slowly
The world is sleeping I am numb	Off the coast and I'm headed nowhere
Up the stairs to her apartment	She's a brick and I'm drowning slowly
She is balled up on the couch	As weeks went by
Her mom and dad went (5) to Charlotte	It (14) that she was not fine
They're not home to find us out	They (15) me, "son, it's (16) to tell the
And we drive	truth"
Now that I have found someone	She broke down, and I broke down
I'm (6) alone	Cause I was (17) of lying
Than I ever (8) before	Driving back to her apartment
She's a brick and I'm drowning slowly	For the (18) we're alone
Off the coast and I'm headed nowhere	She's alone
She's a brick and I'm drowning slowly	I'm alone
They call her name at 7:30	Now I know it
I pace around the (9) lot	She's a brick and I'm (19) slowly
Then I (10) down to buy her flowers	Off the coast and I'm headed nowhere
And sell some gifts that I got	She's a (20) and I'm (21)
Can't you see	slowly
