Come (1) me	Don't you wanna feel my bones
We took a back road	On your bones?
We're (2) look at the stars	It's only natural
We took a backroad in my car	Don't you wanna (15) with me?
Down to the ocean	Don't you wanna feel my skin
It's only (3) and sand	On your skin?
And in the ocean we'll hold hands	It's only natural
But I don't (4) like you	(I (16) had a lover)
Apologetically dressed in the best	(I never had soul)
But on a heartbeat glide	(and I (17) had a good time)
Without an answer	(I (18) got gold)
The (5) speaks for the sky	Don't you wanna (19) with me?
And on the cold, wet dirt I cry	Don't you wanna feel my bones
And on the cold, wet dirt I cry	On your bones?
Don't you wanna (6) with me?	It's only natural
Don't you (7) feel my bones	Don't you wanna swim with me?
On your bones?	Don't you wanna (20) my skin
It's only natural	On your skin?
A (8) vision ensued	It's only natural
Like the holiest dream	Don't you wanna come (21) me?
It's someone's calling?	Don't you (22) my bone
An angel whispers my name	On your bones?
But the message relayed is the same:	It's (24) natural
(Wait till tomorrow, you'll be fine)	Come and take a (25) with me
But it's (9) to the dogs in my mind	Don't you wanna (26) my skin
I always hear them	On your skin?
When the (10) of night	It's only natural
Comes (11) to save me (12) this	
fight	
But (13) can never (14) this right	
Don't you wanna come with me?
