## Talk You Down by The Script

## Fill in the gaps

I can (1) the colour running
As it's fading from my face
Try to speak but nothing's coming
Nothing I could say to (2) you stay
Grab (3) suitcase call a taxi
It's 3am now (4) you gonna go?
Gonna stay with (5) in London
And that's all I get to know
Just a ciggarette gone
No you couldn't be that far
I'm driving my car to where I hope you are
Maybe I can talk you down
Maybe I can talk you down
we're standing on a tiny ledge
before this (6) over the edge
before this (6) over the edge  Gonna use my (7) and not my head
Gonna use my (7) and not my head
Gonna use my (7) and not my head  And try to (8) up your eyes
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go  Cos if you go, I go
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go  Cos if you go, I go  Taking shortcuts through the alleys
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go  Cos if you go, I go  Taking shortcuts through the alleys  While you're racing through my mind
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go  Cos if you go, I go  Taking shortcuts through the alleys  While you're racing through my mind  Cops can (9) but they won't catch me
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go  Cos if you go, I go  Taking shortcuts through the alleys  While you're racing through my mind  Cops can (9) but they won't catch me  Not before I get to (10) my mind
Gonna use my (7) and not my head  And try to (8) up your eyes  This is a relationship suicide  Cos if you go, I go  Cos if you go, I go  Taking shortcuts through the alleys  While you're racing through my mind  Cops can (9) but they won't catch me  Not before I get to (10) my mind  If there's still time Oh
