Talk You Down by The Script

I can feel the colour running

Fill in the gaps

As it's fading (1) my face
Try to (2) but nothing's coming
Nothing I could say to make you stay
Grab (3) suitcase call a taxi
It's 3am now where you gonna go?
Gonna stay with friends in London
And that's all I get to know
Just a ciggarette gone
No you couldn't be (4) far
I'm driving my car to where I hope you are
Maybe I can talk you down
Maybe I can talk you down
we're standing on a tiny ledge
before (5) goes over the edge
Gonna use my heart and not my head
And try to open up your eyes
This is a relationship suicide
Cos if you go, I go
Cos if you go, I go
Taking shortcuts (6) the alleys
While you're (7) through my mind
Cops can chase but they won't catch me
Not before I get to speak my mind
If there's (8) time Oh
we're standing on a tiny ledge
before (9) goes over the edge
Gonna use my heart and not my head
