Talk You Down by The Script

Fill in the gaps

I can feel the colour running
As it's (1) from my face
Try to speak but nothing's coming
Nothing I (2) say to make you stay
Grab your suitcase (3) a taxi
It's 3am now where you gonna go?
Gonna stay (4) friends in London
And that's all I get to know
Just a ciggarette gone
No you couldn't be that far
I'm driving my car to where I hope you are
Maybe I can (5) you down
Maybe I can talk you down
we're standing on a tiny ledge
before this (6) over the edge
before this (6) over the edge
before this (6) over the edge Gonna use my heart and not my head
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go Cos if you go, I go
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go Cos if you go, I go Taking shortcuts (8) the alleys
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go Cos if you go, I go Taking shortcuts (8) the alleys While you're racing through my mind
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go Cos if you go, I go Taking shortcuts (8) the alleys While you're racing through my mind Cops can chase but they won't catch me
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go Cos if you go, I go Taking shortcuts (8) the alleys While you're racing through my mind Cops can chase but they won't catch me Not (9) I get to speak my mind
before this (6) over the edge Gonna use my heart and not my head And try to open up (7) eyes This is a relationship suicide Cos if you go, I go Cos if you go, I go Taking shortcuts (8) the alleys While you're racing through my mind Cops can chase but they won't catch me Not (9) I get to speak my mind If there's still time Oh
