

Fill in the gaps

I don't know what I'm doing here	You know it
How I landed in this space	Don't make it wait
But it's a good place	These are words I wanna say
And I don't (1) mess it up	Every hour of every day
Make mistakes or say too much	These are words that say how good it feels
'Cause it's a good place	To be here with you today
You find it	I hope it's not too late
You hold it	'Cause I don't (4) waste another summer
You feel its grace	I don't wanna wait (5) I fall
These are words I wanna say	I (6) be a memory tomorrow
Every (2) of every day	I could be nothing at all
These are (3) that say how good it feels	I don't know what I'm doing here
To be here with you today	How I landed in this space
I hope it's not too late (I hope it's not too late)	But it's a good place
I hope it's not too late	These are words I wanna say
I've been silent up to now	Every (7) of every day
I've been going with the flow	These are words that say how good it feels
Wherever that goes	To be here with you today
But something's screaming down inside	I (8) it's not too late
Makes me want to close my eyes	Oh, yeah
And hear the echo	I hope it's not too (9)
