

Fill in the gaps

don't know (1) I'm doing here	You know it
How I landed in this space	Don't (13) it wait
But it's a good place	These are words I wanna say
And I don't wanna (2) it up	Every hour of every day
Make mistakes or say too much	These are words that say how (14) it feels
Cause it's a (3) place	To be (15) with you today
You find it	I hope it's not too late
You hold it	'Cause I don't (16) waste another summe
You feel its grace	I don't wanna wait until I fall
These are words I wanna say	I could be a memory tomorrow
Every hour of (4) day	I could be (17) at all
These are words that say how good it feels	I don't know what I'm doing here
To be (5) with you today	How I (18) in this space
hope it's not too late (I (6) it's not too late)	But it's a good place
(7) it's not too late	These are words I wanna say
've (8) up to now	Every hour of (19) day
've (10) going with the flow	These are words that say how (20) it feels
Wherever (11) goes	To be here (21) you today
But something's screaming (12) inside	I (22) it's not too late
Makes me want to close my eyes	Oh, yeah
And hear the echo	I (23) it's not too (24)
