

Fill in the gaps

I don't know what I'm doing here		You know it	
How I (1)	in this space	Don't (3)	it wait
But it's a good place		These are words I	(4) say
And I don't wanna mess it up		Every hour of every day	
Make mistakes or say too much		These are words that say how good it feels	
'Cause it's a good place		To be here with you today	
You find it		I hope it's not too late	
You hold it		'Cause I don't wanna waste another summer	
You feel its grace		I don't wanna wait (5) I fall	
These are words I wanna say		I could be a memory tomorrow	
Every hour of every day		I could be nothing at all	
These are words that say how good it feels		I don't know what I'm doing here	
To be here with you today	у	How I (6)	in this space
I hope it's not too (2)	(I hope it's not too late)	But it's a good place	е
I hope it's not too late		These are (7)	I wanna say
I've been silent up to now	,	Every hour of (8)_	day
I've been going with the fl	low	These are (9)	that say how good it feels
Wherever that goes		To be here with you today	
But something's screaming down inside		I hope it's not too late	
Makes me want to close my eyes		Oh, yeah	
And hear the echo		I hope it's not too (10)
