

## Fill in the gaps

## Perfect (Acoustic Version) by Alanis Morissette

Sometimes is never quite enough	I'll (6) through you
If you're flawless, then you'll win my love	I'll make you what I never was
Don't forget to win first place	If you're the best, then maybe so am I
Don't forget to keep that smile on your face	Compared to him compared to her
Be a good boy	I'm doing (7) for your own damn good
Try a little harder	You'll (8) up for what I blew
You've got to measure up	What's the problemwhy are you crying
And make me prouder	Be a good boy
How long (1) you screw it up	Push a little farther now
How many times do I (2) to (3) you to	That wasn't fast enough
hurry up	To (9) us happy
With everything I do for you	We'll love you just the way you are
The least you can do is keep quiet	If you're perfect
Be a good girl	
You've gotta try a little harder	
That (4) wasn't good enough	
To (5) us proud
