Stillness Is The Move by Dirty Projectors

When the child was just a child		I can't imagine anything better	
It did not know (1)	it was	After all that we've been through	
Like a child it had no habits		I know we'll make it after the wait	
No opinion about anything		The question is a truth	
Maybe I will get a job		There is nothing we can't do	
Get a job as a waitress		I'll see you along the way baby	
Maybe waiting (2) in a diner		Isn't life under the sun just a crazy, crazy, crazy dream?	
In some remote city down the highway		Isn't life just a mirage of the world (6)	the
After all that we've been through		world	
I know we'll make it (3) the wait		Before the world?	
The question is a truth		Why am I here and not over, over, over there?	
There is nothing we can't do		Where did (7) begin	
I'll see you along the way baby		Where (8) space end	
The stillness is the move		Where do you and I where you and I begin?	
On top of every mountain		After all that we've been through	
There was a (4) longing		I know we'll make it (9) the wait	
For another even higher mountain		The question is a truth	
In each city longing for a bigger city		There is nothing we can't do	
After all that we've been through		I'll see you along the way baby	
I know that I will always love you		The stillness is the move	
From now until (5)	baby
