## Stillness Is The Move by Dirty Projectors

When the child was just a child	I can't imagine (4) better
It did not know what it was	After all that we've been through
Like a child it had no habits	I know we'll make it after the wait
No opinion about anything	The question is a truth
Maybe I will get a job	There is nothing we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe waiting tables in a diner	Isn't life (5) the sun (6) a crazy,
In some remote city (1) the highway	crazy, crazy dream?
After all that we've been through	Isn't life just a mirage of the world (7) the
I know we'll make it after the wait	world
The question is a truth	Before the world?
There is nothing we can't do	Why am I (8) and not over, over, (9)
I'll see you along the way baby	there?
The stillness is the move	Where did time begin
On top of (2) mountain	Where does (10) end
There was a great longing	Where do you and I where you and I begin?
For another even higher mountain	After all that we've been through
In each city longing for a bigger city	I know we'll make it after the wait
After all (3) we've been through	The question is a truth
I know that I will always love you	There is nothing we can't do
From now until forever baby	I'll see you along the way baby
