Stillness Is The Move by Dirty Projectors

When the child was just a child	I can't imagine (18) better
It did not (1) what it was	After all that we've been through
Like a child it had no habits	I (19) we'll make it after the wait
No opinion (2) anything	The question is a truth
Maybe I will get a job	There is nothing we can't do
Get a job as a waitress	I'll see you along the way baby
Maybe (3) in a diner	Isn't life (20) the sun just a crazy, crazy, crazy
In (5) remote city (6) the highway	dream?
After all (7) we've been through	Isn't life just a (21) of the world before the
I know we'll make it after the wait	world
The (8) is a truth	Before the world?
There is nothing we can't do	Why am I (22) and not over, over, over there?
I'll see you (9) the way baby	Where did (23) begin
The stillness is the move	Where (24) space end
On top of (10) mountain	Where do you and I where you and I begin?
There was a great longing	After all that we've (25) through
For (11) even higher mountain	I know we'll make it after the wait
In (12) city longing for a bigger city	The question is a truth
After all (13) we've (14) through	There is nothing we can't do
I (15) I (17) always love	I'll see you (26) the way baby
you	The stillness is the move
