The door slammed loud and rose up a (1) of	I (7) how they (8) you down
dust on us	As the winter turned the meadow brown
Footsteps follow, down through the hollow sound,	You go
(2) up	Wherever you go today
And you will go to Mykonos	You go today
With a vision of a gentle coast	When I'm walking brother don't you forget
And a sun to maybe dissipate	It ain't often you'll ever find a friend
Shadows of the mess you made	You go
How did any holes in the snow tipped pines, I find	Wherever you go today
Hatching (3) the seed of your thin mind, all night?	You go today
And you (4) go to Mykonos	You go
With a vision of a gentle coast	Wherever you go today
And a sun to (5) dissipate	You go today
Shadows of the mess you made	You go
Brother you don't need to turn me away	Wherever you go today
I was (6) down at the ancient gate	
You go	
Wherever you go today	
You go today
