Tell Laura I Love Her by Ray Peterson

Laura and Tommy were lovers			Or now his car overturned in flames		
He wanted to give her everything			But as they pulled him (7)	the twisted wreck	
Flowers, presents, but most of all, a wedding ring			With his dying breath, they heard him say		
He saw a sign for a stock car race			Tell Laura I love her		
A thousand (1)	(2)	it read	Tell Laura I need her		
He couldn't get (3)	on the phone		Tell Laura not to cry		
So to her mother, Tommy said			My love for her will never die		
Tell Laura I love her			Now in the chapel where (8) prays		
Tell Laura I need her			For her poor Tommy, who passed away		
Tell Laura I may be late			It was just for (9) I	he (10)	and died
I've something to do, that cannot wait			Alone in the chapel she can hear him cry		
He drove his car to the racing grounds			Tell Laura I love her		
He was the (4)	(5)	there	Tell Laura I need her		
he crowed (6) as they started the race		Tell Laura not to cry			
Around the track they drove at a deadly pace			My love for her will never die		
No one knows what happen	ed that day
