

## Fill in the gaps

You get high	A (6) that's for the talking
With your destructive instinct	You're (7) it more
You get high	But you won't get satisfaction
With your corrosive instinct	Cause you presume
Where can I go	The winner is you but that's not true
To escape your foul mind tricks	So say just words to me
You're trying it more	Unreal what your hate's providing
But you (1) never (2) me	Say just (8) to me
Cause you presume	Your talk is always contradiction
The winner is you but that's not true	Say just words to me
So say just words to me	You won't feel the warmth of friends around you
Unreal what your hate's providing	Say just words to me
Say just words to me	Is it true that there is worth inside
Your talk is (3) contradiction	So say just words to me
Say just words to me	Unreal what your hate's providing
You won't feel the warmth of friends (4) you	Say just words to me
Say just words to me	Your talk is always contradiction
Is it true that there is worth inside	Say just words to me
So say just words to me	You won't feel the warmth of (9) around
Your desires	you
All the worse from power craving	Say just words to me
Your desires	Is it true that there is worth inside
Only (5) there's fire burning	So say just (10) to me
