## One By One by Immortal

## Fill in the gaps

Aeons ago the legends (1) we rode onward
Led (2) by the northern chaos gods
Calm before the sun we came from the north
Horses roamed in the open landscapes
The scald sang to their kings
Only he who (3) wins
The scald sang to their kings
Let the battle we fought to be won
Tremble with fear for the banner of our kings
War now calls heed to the battle
Hear our swords clinging in the wind
Men cast from (4) saddles horses roar and scream
Descendants of wrath and the kingdoms of fear
The might we possess (5) (6) fire
The (7) remain in our northern hearts
More scalps to be won an eye for an eye
Aeons ago the (8) tell we rode onward
Led astray by the northern chaos gods
One by one by the (9) tribe you fall
One by one
Die by the strongest of (10) all
Still theres only greatness sunged to those who fell
Who battled strong to win these wars
One by one we took your lives
