A Gunshot To Head Of Trepidation by Trivium

You starve (1)_____ children on neglect

Then feed their bellies with fear

Concussion bat to the brain

Witness to a battered mother

Your (2)_____ (3)_____ end (4)_____ here

No longer will your (5)_____ fear

A gunshot to head of trepidation

My promise if you ever lay a finger

Just (6)_____ at the scars you make

Your terror makes your kids break

A broken home just as you were raised

With fist raised up to your children

Your (7)_____ (8)_____ end right here

No longer will your family fear

A gunshot to head of trepidation

My promise if you ever lay a finger

You wretched life wrecker

Abuser

Now suffer

Open fire

On the desire of the man

Open fire

With strife we'll strike down the hand (open fire...)

If I can't make you see the (9)_____ you've made (open fire...)

I'll make you (10)_____ you'd never been alive

...

Open fire...

On the desire of the man

Open fire...

With strife we'll strike down the hand
