

Fill in the gaps

Here We Go Again by Demi Lovato

throw all of (1) stuff away	Should have known better
Then I clear you out of my head	In trying to let you go
I tear you out of my heart	Cause (18) we go go go again
And (2) all your messages	Hard as I try I know I can't quit
I tell (3) we are through	Something about you is so addictive
Cause I'm so much (4) (5)	We're falling together
you	You'd think that by now I'd know
But it's just another pretty lie	Cause (19) we go go go again
Cause I (6) down	And again, and again, and again, and again, and agair
Every time you (7) around	I threw all of (20) stuff away
So how did you get here under my skin?	And I cleared you out of my head
I (8) that I'd never let you back in	And I tore you out of my heart
Should have known better	So how did you get (21) under my skin?
In trying to let you go	I swore that I'd never let you back in
Cause here we go go go again	Should (22) known better
Hard as I try I know I can't quit	In trying to let you go
Something about you is so addictive	Cause (23) we go go go again
We're falling together	Hard as I try I (24) I can't quit
You'd think that by now I'd know	Something (25) you is so addictive
Cause (9) we go go go again	We're falling together
You never know (10) you want	You'd think that by now I'd know
And you (11) say what you mean	Cause here we go go (26) we go again
But I (12) to go insane	Here we go again
Every (13) (14) you look at me	Should have known better
You (15) hear half of what I say	In trying to let you go
And you're always showing up too late	Cause here we go go go again
And I know that I should say goodbye	
But it's no use	
Can't be with or (16) you	
So how did you get (17) under my skin?	
Lewara that I'd navar let you back in	

1. your
