## When Your Heart Stops Beating by Plus 44

Turn it up, I never want to go home			
I only want to be part of your breakdown			
She got caught by the four on the floor			
It picked her up and she'll (1) get let down			
And now I can't stop thinking about it			
All you people at the top don't know nothing about it			
We don't give a fuck what the price is			
So just leave us to our own devices			
And we'll leave you alone			
I'll be there when you heart stops beating			
I'll be there when your last breath's taken away			
In the dark when there's no one listening			
In the times (2) we both get carried away			
When we both get carried away			
She (3) it all without a thought in her head			
She says it all and she's pressed up against me			
A little (4) just to take off the edge			
A little more and I'll fall off the planet entirely
