We Used To Wait by The Arcade Fire

Fill in the gaps

I used to write	Like a patient on a table
I used to (1) letters I used to sign my name	I wanna walk again gonna move (6) the
I used to sleep at night	pain
Before the flashing lights settled deep in my brain	Now our lives are changing fast
But by the time we met	Now our lives are changing fast
By the time we met the times had already changed	Hope that something pure can last
So I never wrote a letter	Hope that something (7) can last
I never took my true heart I never wrote it down	(Oooo) we used to wait
So when the lights cut out	(Oooo) we used to wait
I was left standing in the (2)	(Oooo) we used to wait
downtown	Sometimes it never came
Now our lives are changing fast	(Oooo we used to wait)
Now our lives are changing fast	Sometimes it never came
Hope that something pure can last	(Oooo we used to wait)
Hope that (3) (4) can last	Still moving through the pain
It seems strange	(O00000)
How we used to wait for letters to arrive	We used to wait
But what's stranger still	We used to wait
Is how something so small can keep you alive	We used to wait
We used to wait	We used to wait for it
We used to waste hours just walking around	We (8) to wait for it
We used to wait	Now we're screaming sing the chorus again
All those wasted lives in the wilderness downtown	We used to wait for it
(Oooo) we used to wait	We used to wait for it
(Oooo) we used to wait	Now we're screaming sing the chorus again
(Oooo) we used to wait	I used to wait for it
Sometimes it never came	I used to wait for it
(Oooo we used to wait)	Hear my voice screaming (9) the chorus again
Sometimes it never came	Wait for it
(Oooo we used to wait)	Wait for it
Still moving through the pain	Wait for it
(O00000)	
I'm gonna (5) a letter to my true love	
I'm gonna sign my name
