## We Used To Wait by The Arcade Fire

I'm (7)\_\_\_\_\_ sign my name

## Fill in the gaps

I used to write		Like a patient on a table	
I used to write letters I used to sign my name		I wanna walk again gonna move through the pain	
I used to (1)	_ at night	Now our lives are changing fast	
Before the flashing lights settled deep in my brain		Now our lives are changing fast	
But by the time we met		Hope that (8)	pure can last
By the time we met the times had already changed		Hope that something pure can last	
So I never (2)	a letter	(Oooo) we used to wait	
I never took my true hea	art I (3) wrote it down	(Oooo) we used to wait	
So (4) the lig	hts cut out	(Oooo) we used to wait	
I was left standing in the	e wilderness downtown	Sometimes it never came	
Now our lives are changing fast		(Oooo we used to wait)	
Now our lives are changing fast		Sometimes it never came	
Hope that something pure can last		(Oooo we used to wait)	
Hope that something pure can last		Still moving through the pain	
It seems strange		(O00000)	
How we used to wait for letters to arrive		We used to wait	
But what's stranger still		We used to wait	
Is how something so small can keep you alive		We used to wait	
We (5) to wa	ait	We used to wait for it	
We used to waste hours (6) walking around		We used to (9) for it	
We used to wait		Now we're screaming sing the chorus again	
All those wasted lives in the wilderness downtown		We (10) to wait for it	
(Oooo) we used to wait		We used to wait for it	
(Oooo) we used to wait		Now we're screaming sing the chorus again	
(Oooo) we used to wait		I used to wait for it	
Sometimes it never came		I used to wait for it	
(Oooo we used to wait)		Hear my voice screaming sing the chorus again	
Sometimes it never came		Wait for it	
(Oooo we used to wait)		Wait for it	
Still moving through the pain		Wait for it	
(O00000)
