

It's tumbling down

No One's Gonna Love You by Band Of Horses

It's looking like a limb (1) off		Hard
Or (2)	just taken apart	Anything to make you smile
We're reeling through an endless fall		You are the ever-living ghost of what once was
We are the ever-living ghost of what once was		I (8) want to hear you say
But no one is ever gonna love you (3) than I do		That you'd be better off
No one's gonna love you more than I do		Or you liked it that way
And anything to make you smile		But no one is ever gonna love you more than I do
It is my better side of you to admire		No one's gonna love you (9) than I do
But (4) should never take so long		But someone
Just to be over then back to another one		They should have warned you
But no one is ever gonna love you more (5) I do		When things start splitting at the seams and now
No one's gonna love you (6) than I do		The whole thing's tumbling down
But someone		Things start splitting at the seams and now
They could have warned you		If things start splitting at the seams and now
When things start splitting at the seams and now		It's tumbling down
The whole thing's tumbling down		Hard
Things start splitting at the (7) and now		
If things start splitting at	the seams and now
