

Fill in the gaps

In the car, I (1) can't wait
To pick you up on our very first date
Is it cool if I hold your hand?
Is it wrong if I think its lame to dance?
Do you like my stupid hair?
Would you guess (2) I didn't know what to wear
I'm just (3) of what you think
You make me (4) so I really can't eat
Let's go, don't wait, this night almost over
Honest, lets make, this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's (5) this last forever
When you smile, I melt inside
I'm not worthy for a minute of your time
I really wish it was only me and you
I'm jealous of everybody in the room
Please don't look at me with (6) eyes

Please don't hint that you're capable of lies			
(7) a thought of our very first kiss			
A target that I probably gonna miss
