

## Fill in the gaps

In the car, I just can't wait
To pick you up on our very first date
Is it (1) if I (2) your hand?
Is it wrong if I think its lame to dance?
Do you like my (3) hair?
Would you guess that I didn't know what to wear?
I'm just scared of what you think
You make me nervous so I really can't eat
Let's go, don't wait, this night almost over
Honest, lets make, this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's make this (4) forever
When you smile, I melt inside
I'm not (5) for a minute of your time
I really wish it was only me and you
I'm jealous of (6) in the room
Please don't look at me with those eyes

Please don't hint that you're capable of lies
dread a thought of our very first kiss
A target that I probably gonna miss
_et's go, don't wait, this night almost over
Honest, (7) make, this night last forever
Forever and ever, let's make (8) last forever
Forever and ever, let's make this last forever
_et's go, don't wait, this (9) almost over
Honest, lets make, this night last forever
Forever and ever, let's make this last forever
Forever and ever, let's (10) this last forever
Forever, and ever
_ets make this last forever
Forever, and ever
_ets make this last forever
