

Fill in the gaps

Don't taint this ground	So (13) on the inside
With the color of the past	You (14) these grapevines
Are the (1) in bloom (2) you	Would you (15) now
Cause you (3) like	Unto (16) pit of me on the ground
An (4) of mines	And you (17) through these
Just take one (5) at a time	To climb these grapevines
And you seem	To know
To break like time	To feel
So (6) on the inside	To (18) me (19) again
You climb (7) grapevines	Do you (20) (21) what we feel
Would you (8) now	Do you not know
Unto this pit of me on the ground	I see you (22) the game
And you wander through these	Do you denote
To climb these grapevines	(La fiamma riposa, L'ombra dispare)
Vines	(La voce immortale mormora)
I say it to be proud	To know
Won't have my life turn (9) down	To feel
Says the man (10) some	To play me (23) again
With some (11) forged plan	Do you denote
Of (12) so incomplete	Do you not know
Like weights strapped around my feet	I see you play the game
Tread careful one step at a time	Denote
And you seem	
To break like time
