

## Fill in the gaps

This is my life	And now that (3) here
Its not what it was before	So far away
All these (1) I've shared	All the struggle we thought was in vain
And these are my dreams	And all mistakes one life contains
That I've never lived before	They all finally start to go away
Somebody shake me	And now that were here
Cause I, I must be sleeping	So far away
And now that we're here,	And I feel like I can face the day
So far away	I can forgive, and I'm not ashamed to be the person that I am
All the struggle we thought was in vain	today
And all the mistakes,	I'm so afraid of waking
One life contained	Please don't shake me
They all (2) start to go away	Afraid of waking
And now that we're here its so far away	Please dont shake me
And I feel like I can face the day	And now that (4) here
I can forgive, and I'm not ashamed to be the person that I am	So far away
today	All the struggle we thought was in vain
These are my words	And all the mistakes one (5) contains
That I've never said before	They all finally (6) to go away
I think I'm doing ok	And now that (7) here
And this is the smile	So far away
That I've never shown before	And I feel like I can face the day
Somebody shake me	I can forgive, and I'm not ashamed to be the person
Cause I, I must be sleeping	(8) I am (9)
