

Fill in the gaps

This is my life	And now (13) were here
Its not what it was before	So far away
All these feelings I've shared	All the (14) we (15)
And these are my dreams	was in vain
That (1) lived before	And all mistakes one life contains
Somebody (3) me	They all finally (16) to go away
Cause I, I must be sleeping	And now that (17) here
And now that we're here,	So far away
So far away	And I feel like I can face the day
All the struggle we thought was in vain	I can forgive, and I'm not ashamed to be the
And all the mistakes,	(18) I am today
One (4) contained	I'm so afraid of waking
They all (5) start to go away	Please don't (20) me
And now (6) we're here its so far away	Afraid of waking
And I feel like I can (7) the day	Please (21) shake me
I can forgive, and (8) not (9)	And now that were here
to be the person (10) I am today	So far away
These are my words	All the (22) we thought was in vain
That I've never said before	And all the mistakes one (23) contains
I think I'm (11) ok	They all finally (24) to go away
And this is the smile	And now (25) were here
That (12) never shown before	So far away
Somebody shake me	And I feel (26) I can (27) the day
Cause I, I must be sleeping	I can forgive, and I'm not (28) to be the
	person that I am today
