

Swing Life Away by Rise Against

Am I loud and clear, or am I breaking up? Am I still your charm, or am I just bad luck? Are we getting closer, or are we just getting more lost? I'll show you mine if you show me yours first Let's compare scars, I'll tell you (1) is worse Let's unwrite these pages and Replace them with our own words We live on front porches and (2) (3) away We get by just fine here on minimum wage If love is a labor I'll slave till the end I won't cross these (4) until you (5) my hand I've been here so long I think that it's time to move The winter's so cold, summer's over too soon Let's pack our bags and Settle down where palm trees grow I've got (6) friends, some that I hardly know But we've had some times, I wouldn't trade for the world We chase these days down with talks of The places that we (7) go
