rake a little walk to the edge of town	is a red right hand
Go (1) the tracks	You ain't got no money?
Where the viaduct looms	He'll get you some
Like a bird of doom	You ain't got no car? He'll get you one
As it shifts and cracks	You ain't got no self-respect
Where secrets lie in the (2) fires	You (5) like an insect
In the humming wires	Well, buddy buddy, don't you worry
Hey man, you know	Cause here he comes
You're never coming back	Through the ghettos and the barrio
Past the square, past the bridge	And the bowery and the slum
Past the mills, past the stacks	A shadow is cast (6) he stands
On a gathering storm comes	Stacks of green paper in his red (7) hand
A tall handsome man	You'll see him in your nightmares
In a dusty black coat with	You'll see him in (8) dreams
A red right hand	He'll (9) out of nowhere
He'll wrap you in his arms	But he ain't (10) he seems
Tell you that you've been a good boy	You'll see him in your head
He'll rekindle all those dreams	On the TV screen
It took you a lifetime to destroy	And hey buddy, I'm telling
He'll reach deep (3) the hole	You to turn it off
Heal your shrinking soul	He's a ghost, he's a god
Hey buddy, you (4) you're	He's a man, he's a guru
Never ever turning back	You're one microscopic cog
He's a ghost, he's a god	In his catastrophic plan
He's a man, he's a guru	Designed and directed by his red right hand
They're whispering his name
