

## Fill in the gaps

I'm (1) tired of asking	And try to (16) things right
Is this the final time	Cause I'll be ready for a fight
So did I(2) you happy?	(Yeah)
Cause you cried an ocean	I never (17) everything to end this way
Theres a thousand lies	Take and take the (18) sky and turn it grey
About the way you smile	I swore to you that I (19) do my best to change
Written in my mind	You said it don't matter
But every single (3) a lie	I'm (20) at you from another
I never (4) everything to end this way	(21) of view
Take and (5) the blue sky and turn it grey	Don't know how the (22) I fell in love with you
I swore to you that i would do my (6) to change	I would never wish anyone to (23) the way
You (7) it don't matter	I do
I'm looking at you (8) another point of view	I never wanted everything to end this way
Don't know how the (9) I'm in love with you	Take and take the (24) sky and turn it grey
I (10) never wish anyone to (11) the	I swore to you that I would do my best to change
way	You said it don't matter
I do	I'm looking at you from another point of view
ls (12) a (13) from heaven	Don't (25) how the hell I fell in love with you
Showing me the light	I would never (26) anyone to feel the way
Was this supposed to happen	I do
I'm (14) off without you	
So you can leave tonight	
Don't you (15) come back
