

Fill in the gaps

__ of view

I'm getting tired of asking	And try to make things right
Is this the final time	Cause I'll be ready for a fight
So did I (1) you happy?	(Yeah)
Cause you cried an ocean	I never wanted everything to end (6) way
Theres a (2) lies	Take and take the blue sky and turn it grey
About the way you smile	I swore to you that I would do my best to change
Written in my mind	You said it don't matter
But every (3) words a lie	I'm looking at you from another point of view
I never wanted everything to end this way	Don't know how the hell I fell in love with you
Take and take the blue sky and turn it grey	I (7) never wish anyone to feel the way
I swore to you that i (4) do my best to change	I do
You said it don't matter	I never wanted everything to end this way
I'm looking at you from another point of view	Take and take the blue sky and turn it grey
Don't know how the hell I'm in love with you	I swore to you that I would do my best to change
I would never wish anyone to (5) the way	You said it don't matter
I do	I'm looking at you from another (8) of view
Is this a sound from heaven	Don't know how the (9) I fell in love with you
Showing me the light	I would (10) wish anyone to feel the way
Was this supposed to happen	I do
I'm better off without you	
So you can leave tonight	
Don't you dare come back
