

Fill in the gaps

I (1) changed	And blue sky	
I have changed	That's just how it goes	
Just like you	For living here	
Just like you	Come fire	
For how long	Come fire	
For how long	Let it burn and love come racing through	
Must I wait	(Oh) I'm still alive	
I know there's something wrong	I'm still alive	
Your concrete heart isn't beating	I can't apologise no	
And you tried to	(Oh) I'm still alive	
Make it come alive	I'm still alive	
No shadows	I can't (6) no	
Just red lights	I learn to lose	
Now I'm here to (2) you	I learn to win	
(Oh) I'm still alive	I (7) my (8) against the v	wind
I'm still alive	I will move fast	
I can't apologise, no	I will move slow	
(Oh) I'm (3) alive	Take me where I have to go	
I'm still alive	(Oh) I'm still alive	
I can't apologise, no	I'm still alive	
So silent	I can't apologise no	
No violence	I'm still alive	
But (4) my head	(Oh) I'm still alive	
So loud and clear	I'm still alive	
You're screaming	I can't (9) no	
You're screaming		
Cover up (5) a smile I've learned to fear		
Just sunshine
