Fill in the gaps

I Could Have Danced All Night by Angela Gheorghiu

Bed bed I couldn't go to bed
My head's too light to try to set it down
Sleep sleep
couldn't go to sleep
Not for all the jewels in the crown
could have danced all night
could have danced all night
And still (1) begged for more
I could have spread my wings
And done a (2) things I've never done before
I'll never know what made it so exciting
Why all at (3) my heart took flight
I only know when he
Began to dance with me I could have danced
Danced danced all night
could (4) danced all night
could (5) danced all night
And still have begged for more
could have (6) my wings
And (7) a (8) things I've never done before
I'll never know what made it so exciting
Why all at once my heart took flight
I only know when he
Began to dance with me I could have danced
