

Fill in the gaps

Despair to the point (1) they provoke	When did your list replace the twist and turn?
The punchline before they have told the joke	Like the (6) replace the kiss-on concern
The sheer desperation to be seen	And if you're bothered
Staring at the television screen	I don't want (7) prayers
Despair up to the (2) where they provoke	Save it for the (8) after
You to tell the fucking (3) before you	And it's the (9) time that it's even
have (4) the joke	bolder
But sorry, sunshine, it doesn't exist	Don't be surprised when you get bent over
It wasn't in the top 100 list	They told ya
And it's the thousandth time (5) it's even bolder	But you were gagging for it
Don't be surprised when you get bent over	Let's have a game on the Teddy Picker
They told you	Not quick enough can i have it quicker?
But you were gagging for it	Already thick, can you get in thicker
She saw it and she grabbed it and it wasn't what it seemed	Let's (10) a game on the Teddy Picker
The kids all dream of making it, whatever that means	Not quick enough can i have it quicker?
Another variation on a theme	Already thick, can you get in thicker
A tangle on the television and the magazine	'Cos you meant that all things are equal
D'you reckon that they do it for a joke?	Who'd want to be men of the people
D'you reckon that they make them take an oath	When there's people like you
That says: We are defenders
