

## Fill in the gaps

Despair to the (1) where they provoke	When did your list replace the (18) and turn?
The punchline before they have told the joke	Like the fist replace the kiss-on concern
The (2) to be	And if you're bothered
seen	I don't want your prayers
Staring at the television screen	Save it for the morning after
Despair up to the point where they provoke	And it's the (19) time (20)
You to tell the fucking (4)	it's (21) bolder
(5) you (6) told the joke	Don't be surprised when you get bent over
But sorry, sunshine, it doesn't exist	They told ya
It wasn't in the top 100 list	But you (22) gagging for it
And it's the thousandth (7) (8) it's even	Let's have a game on the Teddy Picker
bolder	Not quick enough can i have it quicker?
Don't be surprised when you get bent over	Already thick, can you get in thicker
They (9) you	Let's have a (23) on the Teddy Picker
But you were (10) for it	Not quick enough can i have it quicker?
She saw it and she (11) it and it wasn't	Already thick, can you get in thicker
what it seemed	'Cos you meant (24) all things are equal
The kids all (12) of making it,	Who'd (25) to be men of the people
(13) that means	When there's people like you
Another variation on a theme	
A tangle on the television and the magazine	
D'you reckon (14) (15) do it for a joke?	
D'you reckon that they make (16) take an oath	
That says: We are defenders	
Of any (17) or professional pretender around
