When I Come Around by Green Day

I heard you crying loud,	To try and slag me down (5) I know I'm
All the way (1) town	right
You've been searching for that someone,	So go do what you like
And it's me out on the prowl	Make sure you do it wise
As you sit around feeling sorry for yourself	You may (6) out that your selfdoubt means nothing
Don't get lonely now	Was ever there
Dry your whining eyes	You can't go forcing something if it's just
I'm (2) roaming for the moment	Not right
Sleazin' my back (3) so don't get so uptight	No time to search the world around
You been thinking about ditching me	Cause you know (7) I'll be found
No time to search the world around	When I come around
Cause you know (4) I'll be found	No time to (8) the (9) around
When I come around	Cause you know (10) I'll be found
I heard it all before	When I come around
So don't knock down my door
