heard you crying loud,	To try and (7) me down because I know I'm right
All the way across town	So go do what you like
You've been searching for that someone,	Make sure you do it wise
And it's me out on the prowl	You may find out that your selfdoubt (8) nothing
As you sit around feeling sorry for yourself	Was ever there
Don't get lonely now	You can't go forcing something if it's just
Dry your whining eyes	Not right
'm (1) (2) for the moment	No time to search the world around
Sleazin' my back yard so don't get so uptight	Cause you know where I'll be found
You (3) (4) about ditching me	When I come around
No time to search the world around	No time to search the world around
Cause you know where I'll be found	Cause you know (9) I'll be found
When I come around	When I (10) around
(5) it all before	
So don't knock down my door	
'm a (6) and a user so I don't need no accuser
