## Song To Say Goodbye by Placebo

Now I'm trying to wake you up

## Fill in the gaps

You are one of God's mistakes	To pull you from the liquid sky
You crying, tragic (1) of skin	Coz if I don't we'll both end up
'm well aware of how it aches	With (4) your song to say goodbye
And you still won't let me in	My (Oh) My
Now I'm breaking down your door	A song to say goodbye
To try and save your swollen face	A (5) to say goodbye
Though I don't like you anymore	A song to say
You lying, trying waste of space	Before our innocence was lost
My (Oh) My	You (6) always one of those
A song to say goodbye	Blessed (7) lucky sevens
A song to say goodbye	And the voice (8) made me cry
A song to say	It's a song to say goodbye
Before our innocence was lost	It's a song to say goodbye
You were always one of those	It's a song to say goodbye
Blessed with lucky sevens	It's a song to say goodbye
And the voice that made me cry	It's a song to say goodbye
My (Oh) My	It's a song to say goodbye
You were mother nature's son	It's a (9) to say goodbye
Someone to whom I could relate	It's a (10) to say goodbye
Your needle and (2) damage done	It's a song to say goodbye
Remains a sordid (3) of fate
