

## Fill in the gaps

Heya Tom, it's Bob from the office down the hall	All we want to do is eat your brains
Good to see you buddy, how've you been?	We're at an (16) here
Thing have (1) OK for me	Maybe we should compromise
Except (2) I'm a zombie now	If you open up the doors
I really wish you'd let us in	We'll all come inside and eat your brains
I think I speak for all of us (3) I say I understand	I'd like to help you Tom
Why you folks might hesitate to submit to our demand	In any way I can
But here's an FYI	I sure appreciate the way you're working (17) me
you're all gonna die screaming	I'm not a monster Tom
All we want to do is eat (4) brains	Well, technically I am
We're not unreasonable	I guess I am
I mean, no one's (5) eat your eyes	I've got (18) meeting Tom
All we want to do is eat your brains	Maybe we (19) wrap it up
We're at an impasse here	I know we'll get to common ground somehow
Maybe we (6) compromise	Meanwhile I'll (20) back to my colleagues
If you open up the doors	Who were (21) on the doors
We'll all (7) (8) and eat	I guess we'll table this for now
(9) brains	I'm (22) to see you take constructive criticism well
I don't want to nitpick, Tom	Thank you for your time
But is (10) really your plan?	I know we're all busy as hell
To spend your whole life locked inside a mall?	And we'll put (23) thing to bed
Maybe that's OK for now	When I bash your head open
But someday you'll be out of (11) and guns	All we want to do is eat your brains
And then you'll (12) to make the call	We're not unreasonable
I'm not surprised to see	I mean, no one's gonna eat your eyes
You haven't (13) it through enough	All we want to do is eat your brains
You (14) had the head for all that	We're at an (24) here
Bigger picture stuff	Maybe we should compromise
But Tom, that's what I do	If you open up the doors
And I plan on (15) you slowly	We'll all come (25) and eat (26)
All we want to do is eat your brains	brains
We're not unreasonable	
I mean, no one's gonna eat your eyes
