

Fill in the gaps

Please remedy my confusion		
And thrust me back to the day		
The silence of your seclusion		
Brings night into all you say		
Pull me down again		
And guide me (1) pain		
I'm (2) nocturnal hours		
Drowned visions in haunted sleep		
Faint flickering of your powers		
Leaks out to show what you keep		
Pull me down again		
And guide me into		
There is failure inside		
This test I can't persist		
Kept back by the enigma		
No (3) demanded here		
Deadly patterns made my wreath		
Prosperous in your ways		
Pale ghost in the corner		

Pouring a caress on your shoulder			
Puzzled by (4)	innocence		
Runs a (5) tide beneath			
Ushered into inner graves			
Nails (6)	from the struggle		
It is the end for the weak at heart			
Always the same			
A lullaby for the (7) who've lost all			
Reeling inside			
My gleaming eye in your (8)		reflects	
Stare of (9) regrets			
You turn your back and you walk away			
Never again			
Spiralling to the ground below			
Like Autumn leaves left in the wake to fade away			
Waking up to your sound again			
And lapse into the ways of misery
