

Fill in the gaps

Please remedy my confusion	
And thrust me back to the day	
The silence of your seclusion	
Brings night into all you say	
Pull me (1) again	
And guide me into pain	
I'm counting nocturnal hours	
Drowned (2) in (3)	sleep
Faint flickering of your powers	
Leaks out to (4) what you keep	
Pull me down again	
And guide me into	
There is failure inside	
This test I can't persist	
Kept back by the enigma	
No criterias demanded here	
Deadly patterns made my wreath	
Prosperous in your ways	
Pale (5) in the corner	

Pouring a caress on your shoulder
Puzzled by shrewd innocence
Runs a thick tide beneath
Ushered (6) (7) graves
Nails bleeding from the struggle
It is the end for the weak at heart
Always the same
A lullaby for the ones who've (8) all
Reeling inside
My gleaming eye in your necklace reflects
Stare of primal regrets
You turn your back and you (9) away
Never again
Spiralling to the ground below
Like Autumn leaves left in the (10) to fade away
Waking up to your sound again
And lapse into the ways of misery
