

Fill in the gaps

I'm just a believer that things will get better	I've never been that lucky
Some can take it or leave it	I've never tasted fame
But I don't want to let it go	I'm always looking for something
I'm just a (1) that things will get better	But I hate changing
Some can take it or leave it	Time fades, no space
But I don't want to let it go	As life breaks new ground
I'm a little bit sheltered	I'm just a (7) that things will get better
I'm a little bit scared	Some can take it or leave it
I'm a little bit nervous	But I don't want to let it go
I'm going nowhere	I'm just a believer that things will get better
I'm a little bit jealous	Some can take it or leave it
I'm a little bit slow	But I don't want to let it go
I'm a little bit hurtful	It doesn't matter what is out there
And I don't want to let it go, no	My head is spinning and I won't bail out
And I don't want to let it go	It doesn't matter what is out there
I'm a little bit angry	(8) time fades
When everyone's around	There's no space
But I get a little lonely	As life breaks new ground
When no one's out	I'm just a (9) that things will get better
I feel my demons (2) me	Some can take it or leave it
I'm just a believer (3) things will get better	But I don't want to let it go
Some can take it or leave it	I'm just a believer that things will get better
But I don't (4) to let it go	Some can take it or leave it
I'm just a believer that (5) will get better	But I don't want to let it go
Some can take it or (6) it	I'm just a believer that things will get better
But I don't want to let it go	Some can take it or (10) it
Maybe when I get older	But I don't want to let it go
And I'm in the ground	I don't want to let it go
Weights off my shoulders	
It was bringing me down
