

Fill in the gaps

This pretty face by Amy Macdonald

I don't care	I can't quite believe it anymore
Who does her hair or	(9) happened to believing
What clothes she wears	That beauty's in the eye of the beholder
I don't care if it's YSL	You'll never know who you'll (10) on your way to
I don't care if it's Chanel	the top
(1) (2) to me is a strong belief	You'll probably see them again
All this (3) is skin deep	When your fame starts to drop
Don't care about hair, don't care about eyes	Down down, I'll meet you on the ground
It's about what's inside	It's no (11) (12) (13)
You'll never (4) who you'll meet on (5)	(14) and (15) shiny (16) eyes
way to the top	It's no good when you finally start to realize
You'll probably see them again	I (17) something more
When (6) fame starts to drop	(18) (19) face don't work no more
Down down, I'll meet you on the ground	You'll (20) know who you'll meet on your way to
It's no good with your hair and your shiny blue eyes	the top
It's no good when you finally start to realize	You'll probably see them (21)
I need something more	When your fame starts to drop
This pretty face, don't work no more	Down down, I'll (22) you on the ground
What happened to achieving	It's no good (23) your hair and (24)
What happened to (7) in yourself	shiny blue eyes
Why (8) to the musings of someone,	It's no good when you finally start to realize
somebody else	I (25) something more
I'm sorry I don't see and	This pretty face, don't (26) no more
