

Fill in the gaps

what

Take it off, take it in	(DIS)
(1) off all the thoughts of what we've been	Take it off, take it in
Take a look, hesitate	(6) off all the (7) of what
Take a picture you could never recreate	we've been
Write a song, make a note	(8) a look, hesitate
For the lump that sits inside your throat	Take a picture you could never recreate
Change the locks, change the scene	Write a song, make a note
Change it all but can't change (2) we've been	For the lump that sits inside your throat
Your trojan's in my head	Change the locks, change the (9)
(bis)	Change it all but can't (10) what we've been
It's ok if it's gone	Your trojan's in my head
The thoughts that you had that it was the one	(bis)
And oh, what is (3) for all those times	Take it off, take it in
Is (4) what you get?	All the thoughts of what we've been
Oh, regardless the walls get painted anyway	Take off all the thoughts of what we've been
Oh, you're (5) the gates, but it all got	
away	
Your trojan's in my head
