

Fill in the gaps

I let it fall, my heart	You would always win, always win
And as it fell you rose to claim it	But I set fire to the rain
It was dark and I was over	Watched it pour as I touched your face
Until you kissed my lips and you saved me	Let it burn while I cry
My hands, they were strong	'Cause I heard it screaming out your name
But my knees were far too weak	I set fire to the rain
To (1) in your arms	And I threw us into the flames
Without falling to your feet	I felt something die
But there's a side to you	'Cause I knew that that was the last time
That I never knew, never knew	The (6) time
All the (2) you'd say	Sometimes, I wake up by the door
They were never true, never true	And heard you calling, must be waiting for you
And the games you'd play	Even now when we're already over
You would always win, always win	I can't help myself from looking for you
But I set fire to the rain	I set fire to the rain
Watched it pour as I touched your face	Watched it pour as I touched your face
Let it burn (3) I cry	Let it (7) while I cry
'Cause I heard it screaming out your name	'Cause I (8) it (9) out
When laying with you	your name
I could stay there, close my eyes	I set fire to the rain
Feel you here forever	And I threw us into the flames
You and me, together, nothing gets better	I felt something die
'Cause there's a side to you	'Cause I knew that (10) was the last time
That I never knew, (4) knew	The last time
All the things you'd say	Let it burn
They were never true, never true	Let it burn
And the (5) you'd play	

- 1. stand
- 2. things
- 3. while
- 4. never
- 5. games
- 6. last
- 7. burn
- 8. heard
- 9. screaming
- 10. that
